Ballantine Books, United States, 2013. Paperback. Book Condition: New. 188 x 107 mm. Language: English . Brand New Book. NEW YORK TIMES BESTSELLER Jason M. Hough's pulse-pounding debut combines the drama, swagger, and vivid characters of Joss Whedon's *Firefly* with the talent of sci-fi author John Scalzi. In the mid-23rd century, Darwin, Australia, stands as the last human city on Earth. The world has succumbed to an alien plague, with most of the population transformed into mindless, savage creatures. The planet's refugees flock to Darwin, where a space elevator--created by the architects of this apocalypse, the Builders--emits a plague-suppressing aura. Skyler Luiken has a rare immunity to the plague. Backed by an international crew of fellow immunes, he leads missions into the dangerous wasteland beyond the aura's edge to find the resources Darwin needs to stave off collapse. But when the Elevator starts to malfunction, Skyler is tapped--along with the brilliant scientist, Dr. Tania Sharma--to solve the mystery of the failing alien technology and save the ragged remnants of humanity. Praise for *The Darwin Elevator* A hell of a fun book. --James S. A. Corey, New York Times bestselling author of *Abaddon's Gate* [Jason M.] Hough's first novel combines the rapid-fire action and memorable characters associated with Joss Whedon's short-lived *Firefly* TV series with the accessibility and scientific acumen of [James S. A.] Corey's *Expanse* series. -- Library Journal (starred review) The best part about alien stories is their mystery, and Jason Hough understands that like no other. Full of compelling characters and thick with tension, *The Darwin Elevator* delivers both despair and hope along with a gigantic dose of wonder. It's a brilliant debut, and Hough can take my money whenever he writes anything from now on. --Kevin Hearne, New...
