Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is the seventh volume which belongs to the Fifth Book in the Collection of 365 Tales for Children and Youth. This fifth book consists of 10 volumes totaling 45 beautiful tales related to the magical world of Fairies, Elves and Gnomes. Each volume consists of 1 to 6 tales, depending on its extension. We have always heard about these tales that are told in all cultures and around the whole world, who claims that these beings take care of the forests, the gardens and even of the plantings. Every boy and girl needs to dream and remember these tales so sweet and of deep meaning. There are illustrations of very enjoyable drawing, as well as stories for coloring. The other books in the Collection include Sacred stories; Nature tales; Kings and Queens tales as well as Princesses and Princes ones; Historic and Legends tales; and Heroic deeds and Classical ones. I am convinced that the entire collection will be a true treasure that their children will appreciate for his and her whole life. Also will be a gift for yourself, because will bring you recalls of your own childhood, and immense relief and fruitful spiritual thinking in the middle of so many difficulties that we find along our life. These tales can only be well understood, with its profound meaning, when we have reached our personal maturity age.
