Maloney Avenue Productions, United States, 2011. Paperback. Book Condition: New. New.. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In the 1950 s and 1960 s, especially in the Southeast Region of the United States, being bi-racial was like a death sentence. For one seven-year old boy, it led to being torn from the he loved and sent to a colored orphanage where he was told he was in denial of being a Negro. This is my story. It is a gripping story that depicts my thirteen-year social and emotional adjustment to institutional childcare, post transition and survival. As probably the first, bi-racial out-of-home placement case on file in North Carolina and other states in the Deep South, it provides a foundation to inspire and motivate discussion for others who are battling issues of abandonment and displacement.
