Brand New Book ***** Print on Demand *****.Follow Siren through a case she thought would be straight forward - follow a man s wife and prove she is cheating on him. But Siren soon finds out that all is far from simple and straightforward. There is more than meets the eye to the adulterous Mrs. Weldon Siren soon finds herself struggling to know which side she is on , more importantly, how on earth she is going to get paid. Nicolette Mace is a private investigator out of necessity, not choice. With her family dead and nowhere else to turn she had to learn to stand on her own two feet and live the only way her father ever taught her to. Life as a private investigator isn t all big cases, excitement and arch enemies. Filling the Afterlife from the Underworld follows the day to day musings and activities of Nicolette Mace: The Raven Siren, taken from her online blog. My name is Nicolette Mace, but you might know me as the Raven Siren. I m a Private Investigator living the 1930s romantic dream in this new and exciting modern age. I keep records of everything that happens; everything I have seen and done. Why? There are more things in heaven and earth, Horatio, than are dreamed of in your philosophies.
