Dr. Deussen says that a complete collection of the Upanishads will be impossible, and that every translator will be obliged to be limited to a selection. Dr. Deussen's collection comprises not only all in the Colebrook list, but ten also that are not mentioned by Colebrook, also all of the Atharva-Vedas Upanishads that are usually collected, and the Upanishads of Oupnek hat. The longest and most important translation is that of the Chandogya. This is one of the most instructive of the older Upanishads, and Dr. Deussen's copious notes fully explain the line of thought followed or indicated. The exposition of the Upanishads with that of the Aitareya gives a good idea of them all, as they only differ in...
