

The Essentials of Chemical Dependency: Toward a Unified Theory of Addiction

By Mary McAuliffe

AuthorHouse. Paperback. Book Condition: New. Paperback. 300 pages. Dimensions: 8.8in. x 6.0in. x 0.9in. Why do people get addicted to alcohol, cocaine, methamphetamine, marijuana, prescription medications, and other drugs? The McAuliffes give a simple, yet profound, answer - LOVE. They define chemical dependency as a committed pathological love relationship of a person to a mood-altering chemical substance, a psychoactive drug, in expectation of a rewarding experience. The McAuliffes' book reflects the results of lives dedicated to the pursuit of a comprehensive understanding of addiction and recovery of the whole person. The brilliance of The Essentials lies in its ability to incorporate multiple theoretical and technical disciplines while unifying these various perspectives by adding clarity and focus. It is a foundational book for every practitioner and educator in this field. Scot Adams, Ph. D. Director of Services, Nebraska Department of Health and Human Services The Essentials of Chemical Dependency provided the first truly holistic approach to chemical dependency. Whether our clients are chemically dependent, cognitively impaired, or suffer from co-occurring substance abuse and mental health disorders, the McAuliffes' definitions and conceptual framework are understandable, real, and life changing. Their work instills confident hope for recovery. Jean Sassatelli, RN, MASenior Director for Behavioral...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
