Transaction Publishers. Hardback. Book Condition: new. BRAND NEW, The Woman and the Dynamo: Isabel Paterson and the Idea of America, Stephen Cox, Novelist, columnist, cultural critic, political theorist - Isabel Paterson was one of the most extraordinary personalities of the 1930s, renowned for her incisive wit and her unique interpretation of the American experience. The Woman and the Dynamo is the first biography of a woman who has long been a source of rumor and legend. While other intellectuals derided the American ideal of progress and called for the restraint or abolition of the capitalist system, Paterson demanded a scrupulous application of the "engineering principles" on which American civilization had been built. The Woman and the Dynamo provides one of the few broad and detailed accounts of the origins of the American political Right, emphasizing the special role that women and imaginative writers played in its creation, and posing...
