CHAPTER IV THE NATIVE TRADITION OF TERRORISM IN THE ENGLISH NOVEL Foreword The derivation of the dramatic novel chiefly from tales about the Byronic hero implies not only that the narrative method of Dickens and his followers is essentially a native development unaltered by foreign models, but also that Scotts influence upon it was secondary. Neither generalization can pass without notice. By the time that our triumvirate were writing, romance was no longer insular. We may recall the jibe of Mr. Punch when he promises that his forthcoming library of sensation stories shall utilize the best brains available, whether domestic or foreign; or the example of Harrison Ainsworth, who when Jack Sheppard proved as unpalatable as Rookwood had been, essayed in Old St. Pauls and The Tower of London to dramatize a place as Victor Hugo had done in Notre Dame. What the Dickens...
