Jones & Bartlett Learning. Paperback. Book Condition: New. Paperback. 856 pages. Dimensions: 10.8in. x 8.6in. x 1.9in. Summary: Presents a comprehensive overarching framework to portray the determinants of the nations health and organize the major components of the Book. Then, under each major component, we present a more detailed framework capturing the essential elements of that particular component of the overarching framework. This would be an important new addition to the Book and will make better sense to the readers when approaching the reading materials. The book cross-links to *Delivering Healthcare in the US* and *Essentials of the US Health Care System* books so that the readings presented in this Book would also become background and supplemental readings of the two other textbooks. In front of each major component, a summary section highlights the major issues and challenges related to that component and provides a summary of the representative articles to follow. This helps readers clearly grasp the essential elements related to that component and understand the main objectives of each of the selected readings for that component. The Book will include both classic readings and new readings published within the last five years. New features: Introduces articles on healthcare delivery and interventions to address health determinants and improve population health from other countries in the world. Readers will benefit from learning from other countries in both healthcare delivery and health determinants interventions. Other positive features of the Book include: Limited use of tables and figures to allow readers to grasp the essence of the chapter without too much distraction. The book can be used either stand-alone as a textbook or a secondary reader to a health care related course. Courses will be found in: Schools of Public Health, Department of Health Administration and Policy, School of Nursing, School of Medicine...
