No department of science has witnessed greater progress during the past twenty-five years than that of obtaining correct information of the relative medicinal value of the various articles of the vegetable kingdom used for the relief of human suffering - their proper, effective combination, and the best method of securing and preserving their active principles for universal use. We challenge any medicine to show an appreciation at home like that which has been poured upon Hood s Sarsaparilla. Such results only come from real merit, and the steadily increasing demand for this article unmistakably proves that people appreciate it. If you are suffering from scrofula, salt-rheum, or any...
