Kindle Time Travel Romance Best Seller A paramedic goes back in time to Independence, Missouri, in the year 1852, to solve a family mystery. Her quest is jeopardized when she meets a lawyer who resembles the ghost who has haunted her since childhood. What Reviewers are Saying! The author has done a wonderful job of bringing the characters and the story to life. Amazing characters and great storytelling make this a real page turner. The story took off and didnt stop until the very last word. It is full of growing excitement, twist, turns, surprises and full of romance and love. Love historical, time travel novels and this is one of the best Ive read. I could not put this book down. I would wake up in the middle of the night and start reading again. This is well done, clever and entertaining historical novel and romance. Katherine Logan has weaved an intricate tale in the classic western mode spiced up with the fantasy elements of time travel. A riveting five star read. I was so relieved to find a new book to read that wasnt filled with overly predictable plots. Wonderfully written! This story has everything . . . excitement, adventure, romance and suspense. Plot twists kept the book moving at a nice, swift pace. This story has the adventure of time travel, the heartbreak of tragedy and the mystery of a stalker--possibly more rolled into the same package. It all comes together so beautifully. I guess putting a genre on this book describing it as a time travel book is not doing it justice. It really is so much more. This is story I recommend to...
