Census Records for Latin America and the Hispanic United States

By Lyman D. Platt

Genealogical Pub Co. Paperback. Book Condition: New. Paperback. 198 pages. Dimensions: 8.9in. x 6.0in. x 0.7in.This is the largest and most complete survey of census records available for Latin America and the Hispanic United States. The result of exhaustive research in Hispanic archives, it contains a listing of approximately 4, 000 separate censuses, each listed by country and thereunder alphabetically by locality, province, year, and reference locator. The enormous number of census records identified by Dr. Platt in the course of his twenty-five-year investigation will surprise and delight the serious researcher, and none more so than the family historian researching his Hispanic roots. In every colony of the Spanish Empire at least one major census was taken during the colonial period (1492-1825), although not all of these documents have been preserved. However, the stream of colonial reports on local population submitted to Spain for administrative, fiscal, military, and religious purposes swelled to a flood as the Spanish colonial administrative apparatus was reformed and expanded during the Intendency Period (1763-1825). The amount of material available to genealogists and family historians during this period of time is the largest accumulation of demographic information available for any major region of the world. Beginning...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
