The Best Science Fiction of the Year: Volume one

By -

NIGHT SHADE BOOKS, United States, 2016. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. A biological plague begins infecting artificial intelligence; a natural-born Earth woman seeking asylum on another planet finds a human society far different from her own; a food blogger's posts chronicle a nationwide medical outbreak; trapped in a matchmaking game, a couple tries to escape from the only world they know; a janitor risks everything to rescue a defective tank-born baby he can raise as his own. For decades, science fiction has compelled us to imagine futures both inspiring and cautionary. Whether it's a warning message from a survey ship, a harrowing journey to a new world, or the adventures of well-meaning AI, science fiction feeds the imagination and delivers a lens through which we can better understand ourselves and the world around us. With *The Best Science Fiction of the Year Volume One*, award-winning editor Neil Clarke provides a year-in-review and thirty-one of the best stories published by both new and established authors in 2015. Table of Contents: Introduction: A State of the Short SF Field in 2015 by Neil Clarke Today I Am Paul by Martin Shoemaker...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
