

Job Motivation and Organisational Climate in Libraries

By Mahavir Singh

Mittal Publications, New Delhi, 1998. N.A. Book Condition: New. Xii+148pp The present work is a pioneering effort to bridge to some extent, the gap that exists in Library and Information Science due to scarcity of empirical research. The study has been undertaken to measure the level of job involvement of library professionals working in Social Science libraries. It also endeavours to examine the relationship between job involvement and some demographic, and organisational factors.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
