By Patrick M Graham

T T Clark International, United Kingdom, 2009. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****. History and Interpretation is a collection of seventeen essays on the Old Testament and the history of ancient Israel and commemorates the sixtieth birthday of John H. Hayes, Professor of Old Testament at Candler School of Theology (Emory University). All the contributors were Hayes's doctoral students at Emory, and their essays cover a wide range of topics that reflect their teacher's own scholarly interests—from historical geography and the history of ancient Israel to religion, theology, and the exegesis of individual texts. The methodologies employed are equally diverse: some focus on text-critical or form-critical issues, while others are essentially historical, rhetorical, or literary critical studies. Three essays are devoted to the Pentateuch, three to the Historical Books, four to the Prophets, and seven to the history of ancient Israel. A bibliography of Professor Hayes's publications is also included.
