WEST OF GOOSE ISLAND: A CHICAGO STORY

[DOWNLOAD PDF](#)

Paperback. Book Condition: New. Paperback. 191 pages. Set in Chicagos immigrant neighborhoods west of Goose Island, these lighthearted coming-of-age adventures recount growing up on rough and tumble Division Street. Inspired by a series of short stories that morphed into something much more, Post delivers a warm and humorous coming-of-age memoir that captures an era of Americana with heart and honesty. As seen through the eyes of three young boys, Chicago becomes a sort of full-contact playground where the realities of life, the love of family, and a world of adventure wait around every corner. Marked by a keen eye for detail, West of Goose Island: A Chicago Story is a must-read for anyone, even those who didnt live in the Second City. Posts tales of life growing up in several Polish immigrant neighborhoods is part nostalgia, part history lesson, and an altogether invigorating journey to a simpler time. The streets and alleys of his neighborhood provided the adventure and life lessons we all experience. And in the tight-knit enclave just west of Goose Island where the phrase It takes a village operated in full force, the streets were safe because everyone looked out for one another. From swimming in the dank, bubbling darkness that was the North branch of the Chicago River surrounding Goose Island to the peculiarities of cultural assimilation, the 1940s and 1950s were a pretty great time to be a kid in his neighborhood, to learn about the value of hard work and education, and to truly understand the possibilities in a country where every dream could be realized We all remember moments of childhood that left indelible marks on our lives for one reason or another. Some are simple moments while others are more profound, but in every instance they leave behind an impression on our...
