Disney Book Publishing Inc., United States, 2015. Hardback. Book Condition: New. Marla Frazee (illustrator). 201 x 147 mm. Language: English . Brand New Book. Summer is coming, and Clementine is not ready. She is not ready to start speaking to her father again, because she s still mad at him for eating meat. Instead, she has to express her sadness by giving him drawings of animals she knows would not want to be somebody s dinner. Then there is the new baby on the way. Clementine s mom sure doesn t seem ready. She s suddenly crazy about cleaning (Dad says she is nesting ), but she doesn t even have a name picked out yet. Clementine just hopes the baby won t be a dud. What Clementine really isn t ready for is saying good-bye to her third grade teacher. She knows Mr. D Matz is going to tell her all kinds of things that aren t true. Everything else may be changing around her, but that doesn t mean that Clementine has. But which is worse, saying good-bye, or not saying good-bye? Praise for CLEMENTINE \* Give this to readers of Cleary and Blume and cross your fingers for more. - Kirkus Reviews (starred review) Praise for THE TALENTED CLEMENTINE \* Clementine is a true original. Libraries will need multiple copies of this one, because early chapter-book readers will jump at the chance to spend another eventful week with Clementine. -School Library Journal (starred review) Praise for CLEMENTINE, FRIEND OF THE WEEK \* Pennypacker s writing once again brings creativity, humor, and sensitivity to Clementine and her world. Black-and-white line illustrations grace the book, capturing the child s personality and varied emotions. A must-have for most collections. Fans will be in for another fun serving of their favorite girl...
