Learning to Read Critically in Teaching and Learning

By Louise Poulson, Mike Wallace

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Learning to Read Critically in Teaching and Learning, Louise Poulson, Mike Wallace, 'Learning to Read Critically in Teaching and Learning offers a contribution to the debates on curriculum and pedagogy. The title itself is especially noteworthy since it indicates quite clearly that the reader is being encouraged both to learn and to develop their critical faculties on the topic of teaching and learning. This is a clever multi-layering of meaning that reflects the aims of the book extremely well' - School Leadership & Management This book combines a teaching text with exemplary reports of research and a literature review by international scholars. Part One offers ideas on: how to become a critical reader and self-critical writer of literature; how to apply these insights in planning a written assignment, dissertation or thesis. The student is provided with a framework for the critical analysis of any text and shown how to incorporate it in a literature review. Part Two presents accounts of leading-edge research from well-known contributors, offering insights into key issues in the field of teaching and learning. These accounts reflect diverse theoretical approaches, national contexts, topics, research designs, methods of data...
