Tyndale House Publishers, United States, 2012. Hardback. Book Condition: New. 193 x 119 mm. Language: English . Brand New Book. The United States of America was founded and established by ordinary citizens just like you and me. In their struggle for independence, these heroic men and women willingly shed their blood, sweat, and tears--often sacrificing their own lives and fortunes in order to hand down the precious legacy of freedom we all enjoy today. Now is the time for a new generation of American patriots to rise up and join in the fight. Now is the time for every American to return to the virtues, values, and ideals that formed our foundation of freedom, and enable America to remain a great nation, a powerful democracy, and a beacon of hope for the world. American Patriots highlights the heroic men and women who valiantly fought to secure our God-given rights of life, liberty, and the pursuit of happiness--not only for themselves and their children, but for countless future generations. Their stories are a true reminder of the extraordinary faith, courage, and determination that set this country on the path to greatness centuries ago, and an inspiration for future generations of great American patriots.
