By Roderick Cavaliero

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Italia Romantica: English Romantics and Italian Freedom (New edition), Roderick Cavaliero, In the eyes of the English Romantics, Italy was not a nation but 'Italia', a place inhabited by the ancient. Theirs was a view shaped by the Grand Tour, which elevated ancient Roman culture to an artistic and historical ideal. In this vivid history of their love affair with Italy, Roderick Cavaliero presents a readable and strongly-etched cultural history. Through the eyes of Romantic travellers and poets such as Byron, Keats and Shelley, we see a fascinating picture of pre-unification Italy, struggling to recover after Napoleon and edging towards the Risorgimento.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
